

Movie crew making headquarters a permanent shop

September 5, 2008

Due to high demand for "Little Chicago" merchandise, the crew is making its 75 Forman St. headquarters a permanent shop.

The shop will carry "Little Chicago" sportswear along with other logo-adorned apparel such as school and campus clothes. The shirts, sweatshirts, jackets, lighters and other merchandise are being sold to promote the upcoming Prohibition-era movie, which depicts mobster life in Bradford and Olean, N.Y.

"Little Chicago" has outlets in Bradford, Arcade, N.Y., and Olean, all planned filming sites. The crew plans to open other sportswear shops if the Bradford store continues to thrive, according to Dee Gould of Little Chicago, LLC.

Cameras are expected to roll for "Little Chicago" starting in October.
